IMPULSIVE AFFECTIVE AGGRESSION: A NEW SYNDROME?

R.C. Brouwers^{1,2}, M. Appelo^{1,2}, T.I. Oei¹

1.1. Tilburg University 2.2. GGZ Groningen

This is a study on the biological, cognitive and social factors in relation to impulsive affective aggressive behavior. We will present the first results and give

the definitions of type I and type II impulsive aggressive behavior. Presentation of risk and protective factors as found in the literature on this topic. We like to discuss the instruments used and the method of investigation.
